the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million (FAO 1996).

There are a number of reasons why the world's population is becoming more undernourished. First, the world's population is growing rapidly. The world population is projected to increase from 5.5 billion in 1990 to 8 billion in 2025 (United Nations 1994). Second, the world's population is becoming more urbanized. The world's population is projected to increase from 29% urban in 1990 to 55% urban in 2025 (United Nations 1994). Third, the world's population is becoming more dependent on food imports. The world's population is projected to increase from 10% dependent on food imports in 1990 to 25% dependent on food imports in 2025 (United Nations 1994).

There are a number of reasons why the world's population is becoming more dependent on food imports. First, the world's population is becoming more dependent on food imports because of the increasing demand for food. These are memories we shall always keep. We have made many friends, developed new interests, and learned how to think. Our ideas of life have been built from what we have learned here. In this school we have acquired many skills and received the education which will help us in years to come. We are proud of our great school, Alton Senior High, which has given us the opportunity to learn, to make friends, and to prepare ourselves for our future years.

# ADMINISTRATION

DR. J. B. JOHNSON  
Superintendent of Schools

Dr. Johnson and the Administrative Staff at Haskell House

Dr. Johnson and members of the office staff

Never before in recorded history has there been a greater need for clear thinking and reasonable judgment. The future of our great country, the American way of life, and the future of all mankind depend on the attitudes, habits, character, and morals of the present-day high school students. Students should learn to examine the world around them and make a serious analysis of their actions. They should be interested in improving the environment in which they are now living and that in which they are going to live.

When students are critical, they should be able to suggest a better way. Anyone can find fault, but to find an improved method requires clear thinking and mature judgment. They should be able to walk in another man's shoes before criticizing his walking. Indifference to laws and lack of respect for the home, church, community, and nation can lead to disaster. Other nations have had this experience.

I sincerely hope that you plan for the next five, ten, fifteen, or twenty years, and in this planning you evaluate your contributions to the improvement of your world around you. If you contribute according to your interest and ability, I am sure the world will be a better place in which to live. If you and all the other high school students in the United States of America are willing to work toward improving our country, the future should be bright. If you shrug your shoulders and let someone else make the plans, our society may start to decay.

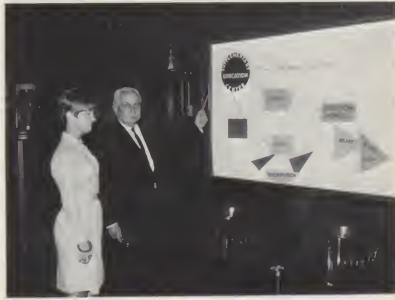

Best wishes for success and happiness.

This book, the result of a cooperative effort of students and faculty advisors, dramatically displays one facet of the many outstanding capabilities of our youth. Congratulations!

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum.

Good will among people will increase as we are able to concede that being different is not necessarily being wrong.

MR. C. R. WRIGHT, Administrative Assistant in charge of Vocational Education.

An education is your only means of preparing yourself to accept responsibility in the future.

## Board Of Education

MR. ROBERT S. MINSKER  
President

During your twelve years in school, educational processes have changed rapidly and will continue to change. As increases occur in population, knowledge, and technology, substantial sociological readjustments will have to be made. All of these will affect you and your future.

One of the fundamental changes in your educational program has been a broadening of the base of your knowledge. Another has placed emphasis on independent research and analysis of what is new. These innovations have given you experience in adjusting to a dynamic, moving society.

The extent of the adjustments you will have to make cannot be determined at the present time. However, in the years ahead the successful men and women will be those who are able to re-educate themselves — probably several times during their lives.

The basic ingredients of your education over the past twelve years have been good. We trust that you will use them to your advantage.

# National Scholarship Service And Fund For Negro Students

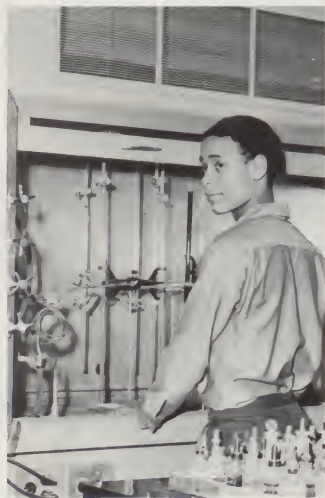

Charles Bruce received the scholarship awarded by the National Scholarship Service & Fund for Negro Students. This award is given on the basis of the student's performance on the National Merit Scholarship Qualifying Test.

Joann Williams was commended by the Service.

We would like to congratulate Charlie on this great honor and to wish him the best of luck in the future.

CHARLES BRUCE

CHRISTINE HINTZ

## Chris Hintz — Our A.F.S. Student To Italy

Chris Hintz, the President of the American Field Service Club, was privileged to participate in its Americans Abroad program last summer. Chris lived with the Piero Trevisan family in Camposampiero, Italy.

Living with an Italian family has given Chris the opportunity for a much deeper understanding of people all over the world.

Congratulations, Chris, for this great honor!

## Judith Grenzbach Receives Bausch And Lomb Award

The Bausch & Lomb award is presented at graduation to the student who, in the estimation of the faculty of Alton High, has achieved the best record in the study of science. Our winner this year is Judy Grenzbach, who will receive a medal for her accomplishments.

Judy is now eligible to compete for one of several scholarships awarded annually at the University of Rochester. We wish Judy all the luck in the world and we are sure she will go far.

JUDITH GRENZBACH

## Our A.F.S. Student From Ceylon — Tamara Gunasekera

Tamara Gunasekera, who arrived for the first time in Alton last August from Colombo, Ceylon, is staying with the Richard Lyon family. Her gracious manner makes Tamy very popular with all the students at Alton High. Having an excellent command of English, Tamy has displayed her high scholastic abilities in our classrooms.

Tamy's visit here is sponsored by the American Field Service. Alton High is an active member of this program, and not only has sponsored students, but also has sent several abroad. We at Alton High hope Tamy's stay will always be a treasured part of her memory, and that she has had a very enjoyable year with us.

## Pietro Schivardi — A.F.S. Student From Italy

Alton High is proud this year to have as one of its exchange students Pietro Schivardi from Brescia, Italy. Pietro is staying with Mr. & Mrs. Charles Godfrey and will remain in the United States for approximately one year, studying and learning our way of life.

American Field Service is sponsoring Pietro's visit to the United States. We students want to thank everyone who has contributed to this program, and we hope the theme of AFS will spread throughout the world.

"Walk together, talk together,  
All ye peoples of the earth,  
Then, and only then, shall ye have peace."

PIETRO SCHIVARDI

Umm—This tastes good!

Pietro chats with his American parents.

What boy wouldn't be happy with all those lovely girls around all the time?

Observing American basketball in action!

## Alton's Exchange Student From Germany — Birgit Pascholb

Birgit is our exchange student from Mariabrunn, Germany, near Lake Constance, and is spending her year in America with the Dr. Robert Lynn family. She is really a by-product of A.F.S. since her sister, a former A.F.S. student, was here several years ago living with the same family. In addition to being an active A.F.S. member, she enjoys many sports, such as ice skating, sailing and skiing. Her favorite pastimes in America are playing tennis, table tennis, and piano. We would like to wish Birt a happy stay in the States!

BIRGIT PASCHOLD

Already I've been in a tooth paste test!

Well, I have to try a little of everything—don't want to hurt anyone's feelings.

Oh, that heavenly odor!

Gotta be beautiful here in America!

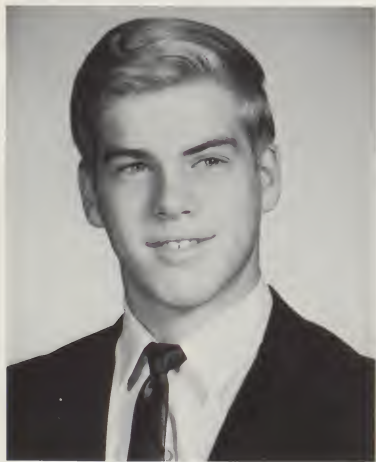

There are the happy times when all goes smoothly . . .

. . . but even a German can get in a little squabble.

## 1968 D.A.R. Award

CHRISTINE JOAN HINTZ

DAVID WILLIAM NELSON

The 1968 TATLER is proud to announce this year's winners of the annual D.A.R. Good Citizen's Award. They are Chris Hintz and David Nelson.

The award, sponsored by the Daughters of the American Revolution, is given to one girl and one boy of the Senior Class who excel in the following qualities: Dependability, Service, Leadership, and Patriotism.

To quote the Society: "The aim of the project is to pay tribute to youthful characters and to call attention to those qualities which are desirable in good citizens." Congratulations, Chris and David, on this fine honor.

**Bill Thomas**  
**Senior**  
**Class**  
**President**  
**1967-1968**

WILLIAM HAROLD THOMAS

Last spring, Bill Thomas was elected President of the Class of 1968. At last year's graduation, according to Alton High School tradition, Bill accepted the cane and chair, symbols of the senior class.

From the time of his election, Bill has worked actively to carry out the duties of his office. His first responsibility was the organization of the 1967 Junior Prom. Since then Bill has led in the development of the class project, class motto and the Senior Prom.

Bill was Vice-president of the Alton High School Student Council and President of the Kaskaskia Dis-

trict of Student Councils in 1966-67. He has been a delegate to one national convention, two state conventions, and two state workshops for Student Council members. Active in the Gate Club, Bill has participated in the Why Knot coffeehouse, and is presently on the staff of *¿Que Pasa?* Bill, a member of the National Honor Society, was a National Merit Scholarship Semifinalist and is also a Boy Scout.

The Tatler is proud to salute a scholar and outstanding citizen, Bill Thomas, President of the Class of 1968.

# National Merit Scholarship Finalists

JOHN DAVID JOHNSON

Students who are finalists in this year's National Merit Scholarship Competition are John David Johnson, David Keyser, Chris Madson, David Simpson, and William Thomas.

Finalists were chosen on the basis of scores received on the National Merit Scholarship Qualifying Test that was taken in March of their Junior year.

The award is a national one the purpose of which is the awarding of scholarships through a national pool.

Semifinalists in the competition were Carol Biggs, Charles Bruce, Anne Collins, Maribeth Gaspard, Darrell Kirchner, Marcia Maxson, David Nelson, Brian Opel, Nicolyn Riccardi, Sarah Ryrle, Donald Schilling, Janice Steiger, and Lawrence Weaver.

DAVID SIMPSON

## **David Simpson Receives Rensselaer Award**

DAVID RONALD SIMPSON

## **Union Electric Sends David To Chicago**

We would like to congratulate David Simpson who was awarded the Rensselaer Mathematics and Science Award in his junior year. This award was given to David because of his high combined average in the science and math departments. Throughout high school he has demonstrated interest in science-based higher education. The Rensselaer Mathematics and Science Award Scholarships, for which David is now eligible, are awarded annually. Good luck, Dave!

In the beginning of his senior year Dave was chosen to take a test on the atom, sponsored by the Union Electric Co. A few weeks later he was notified that, because of his high scores on the test, he would be sent to Chicago for three days. Mr. Monical accompanied him, all expenses paid. They saw industrial plans, and museums, and heard many famous speakers. We would like to congratulate David on his many fine accomplishments in the fields of science and mathematics and wish him the best of luck in the future.

### THE SOUND OF MUSIC

THE SOUND OF MUSIC, which takes place in the Austrian Alps, is the story of a young postulate named Maria. As a disciplinary action, she was sent to the Von Trapp villa to govern the Captain's seven children. Soon she found her way into the hearts of all, including the Captain. Maria and Captain Von Trapp were married, but upon returning from their honeymoon, they found that Austria had been taken over by the Nazis. Since the Captain would not comply to the wishes of the Nazi leaders, the Von Trapps were forced to flee the country. With the help of the nuns who loved her, Maria and her family escaped over the Alps to Switzerland, where freedom and happiness awaited them.

# Where The Action Is!

## Family Helper Project

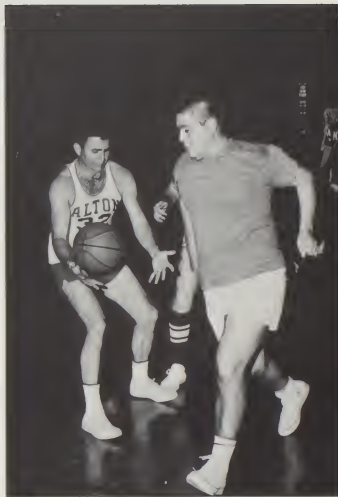

One of the many projects of the Student Council includes the support of a child in Vietnam. After the Student Council had expressed a desire to support a child with its funds, the Christian Children's Fund selected Nguyen Van Nghe for this program. Although Nguyen is thirteen years old, he is only in the third grade. He was admitted to this program because his father was unable to support his family of seven children. The Student Council is very proud of this project.

A good return

Last year's tennis season was a slight improvement over the previous year's. The team's final record was 6-6, as compared to 5-7 in 1966. The season got off to a rather slow start with three consecutive losses to Edwardsville, Collinsville, and Granite City. Following this rather disappointing beginning the team narrowly defeated Wood River. This proved to be an extremely short winning streak as three more losses followed to the teams of Collinsville, Granite City, and Edwardsville, the same teams that had caused the earlier trouble. However, our boys' showing in these three contests was much better than the first time around. The Redbirds ended their season in excellent form by defeating Belleville, Wood River, Roxana, Civic Memorial, and again, Belleville. The two wins over Belleville are ones of which to be especially proud since this team is one of the strongest in the conference.

Congratulations, Coach Sterrett and team, on your performance this past season.

# Golf

The Alton High golf team, under the direction of Mr. Matthews, had an excellent season last spring. During their fine season the Red-birds accumulated ten victories, while losing only to Granite City and a strong Belleville West team. Our golfers also tied Belleville and avenged their earlier defeat to Granite City, winning by a large margin on our home course.

The TATLER Staff wishes to congratulate Mr. Matthews and the golf team on their excellent performance.

ROW THREE: Coach Tyler, Tom Blair, Larry Wilson, Coach Macias, Todd Mueller.

The Alton High baseball team played another fine season in 1967. Although not quite equaling the previous year's peak season when the Redbirds went to the State Tournament, the baseball team finished with a fine record of 14 victories, 10 defeats, and 1 tie.

The season opened very promisingly with a convincing victory over Marquette, our cross-town rival. During the course of our team's tough season, our boys also won games against East St. Louis, Collinsville, Edwardsville, Western Military Academy, Jacksonville, and Roxana. However, we suffered defeat at the hands of Granite City, Wood River, Assumption, Edwardsville, and Belleville. In the district tournament, the Redbirds lost to a tough Roxana team by a narrow margin of 2-1 after defeating Wood River 7-0. Roxana went on to the state tournament after winning their regional and sectional tournaments.

The sophomore baseball squad showed much promise for future years as they compiled an excellent record. As always, our teams exhibited excellent school spirit and sportsmanship both in victory and defeat. The TATLER Staff, on behalf of the student body, would like to congratulate Coaches Tyler, Macias, Yonkus, and Montague, and the entire team for their fine season.

# Track

Our track boys did quite an excellent job this past season. In the past several seasons our track teams have been steadily improving. This streak continued last season as our boys ended the season with our best track record since 1964. It can be said that there existed only one team that offered the Redbirds any truly strong opposition. This team was the well-known powerhouse of East St. Louis. Our squad did, however, have an overall record of 4-4 with East St. Louis, which is quite an impressive achievement. The list of large meets won by the Redbirds is quite long. A few of these wins are as follows: the Alton Invitational which hosted twenty teams, the Mineral Area meet held in Carbondale, the Southwest Conference Relays, the Dupo Sophomore Invitational, and the District meet which this year was held in Alton. This last win, quite an enviable one, is one of which our whole school should be proud. One of the closest meets of the season took place in West Frankfort where the team was defeated by East St. Louis by a mere half point. In the Conference meet the Redbirds placed second behind East St. Louis in the field of seven teams.

There were many outstanding marks set by members of the squad last season. This group of excellent performers was led by Avery Wallace, who placed second in the long jump with a mark of 23' 11 $\frac{3}{4}$ " in the State meet. Congratulations, Avery.

We of the TATLER Staff wish to congratulate Mr. Wigger, Mr. Johnson, Mr. Stavros, Mr. Middleton, Mr. Brandt, and the track team on a season excellently executed.

The Alton Cross-Country team had a season of many successes and a few disappointments in 1967. Early in the season our runners did very well, never losing a dual meet. They had victories over Beaumont, Collinsville, and Bellville West, and tied a strong Hazelwood squad. They continued their winning ways by finishing second to Kirkwood, the Missouri state champions, in a meet at Alton with ten schools. Following that, Alton's harriers took first place in the Edwardsville Invitational and fourth place at a large Peoria meet. They fell to tenth place at Mattoon and took third place in the conference behind Bellville West and Edwardsville. By finishing third in the District Meet the Alton runners failed to qualify for the state meet for the first time in nearly 20 years.

The Sophomore squad's performance was promising as they were undefeated in dual meets and took first place in the Edwardsville Invitational. They also finished first in the Southwestern Conference sophomore division.

The TATLER Staff thanks the boys for their efforts this past year. Coaches Wigger and Middleton deserve special recognition for their fine handling of the team.

# Football

Our football Redbirds, led by All-State players Frank Holmes and Larry Ceppenati, compiled one of the best season records in Alton High football history. The season opened with two decisive wins over Quincy and Marquette. These two teams proved to be no match at all for our squad. This winning streak was continued at the East St. Louis contest where the Redbirds conquered "the team to beat" by twenty points. After this important accomplishment everything looked really great for our top-notch footballers. The winning momentum continued into the Granite City game which was another easy steal. Our chances of a perfect season were ended however, at the following game against St. Louis U. High. The St. Louis team fought hard to capture a mere tie. This slight setback was followed by a win over Edwardsville. Our only loss of the season came against the fired-up Belleville squad. It was evident at this point that the Southwestern Conference Championship would go either to Alton or Belleville. Our team came back from the loss with wins over Collinsville and Wood River. Belleville also won all its games until Thanksgiving day when it was defeated by East St. Louis, making Alton and Belleville the Southwestern Conference Co-Champions.

Our team was rated number one in the Metro East Poll, number four in the St. Louis Metropolitan Area, and number ten in the state of Illinois. An interesting statistic is the ratio of points scored by our team to those scored by the opponents. Our squad scored 295 points to the opponents' 52.

Congratulations Redbirds, Mr. Yonkus, Mr. Brandt, Mr. Johnson, and Mr. Iman on an extraordinary season of which the entire community can feel proud.

This year represents the second year of competition for the Alton High rifle team since its reorganization. About ten years ago, Mr. Leo Wools coached a rifle team that also competed in the St. Louis Public High School rifle league. Riflery is a varsity sport and the members may qualify for a letter. The team this year is coached by Mr. Larry Thompson.

Competition begins in early December and ends the first week in March. The matches are held every Friday afternoon at the various high school rifle ranges in St. Louis. During last year's competition the team compiled a record of six wins and seven losses. Although this was less than a fifty-fifty season it was quite a desirable record for any team in its first year of organization. The Tatler Staff congratulates the rifle team members and their coach, Mr. Thompson, on their praise-worthy beginning.

## Alton 79 Collinsville 76

Our basketball team opened its season by defeating O'Fallon on its home court. The following week Mt. Vernon journeyed to Alton for what turned out to be a heartbreaking defeat for the Redbirds. The game was lost by one point after having had the opportunity in the closing seconds of the final quarter to score a game-winning two points. In the next game, the Redbirds defeated Jacksonville. The next event on the schedule was the Alton Tournament,

which our team easily won. The other teams entered in the tournament besides Alton were Marquette, Civic Memorial, and Northwest of St. Louis. As the winning momentum continue to build, the Redbirds defeated both Edwardsville and Wood River by wide margins. After these two wins the team traveled to Carbondale to participate in the Carbondale Holiday Tournament. Our squad won its early games in the tournament easily. The championship

game of the tournament was played between Alton and Collinsville. Although our team was defeated by the Kahoks in this game, the players discovered that they could give the Collinsville team a really hard battle. This discovery greatly increased the confidence of the team for the upcoming home game against the Kahoks. In the Carbondale tournament the Redbirds averaged 84.7 points per game. In the final game against Collinsville, Alton's high point man

Jump ball!

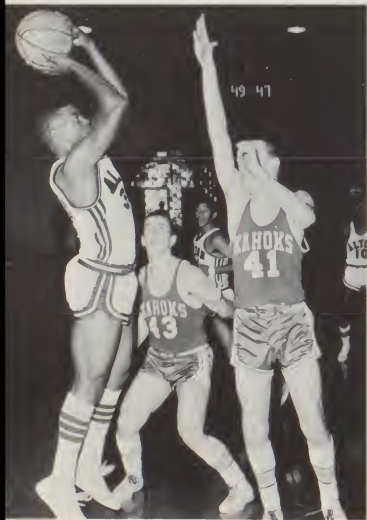

Huff scores two points, putting the Redbirds ahead of the Kahoks with only seconds remaining.

was Sonny Willis with 32 points. Our next chance at the Kahoks proved to be the most exciting game of the season to date. Things were such that the winner of this game would also be the leader of the Southwestern Conference. The game was extremely close all the way. Nearly every point scored changed the lead from one team to the other. In the closing seconds of the final quarter with the score tied 76-76, Leon Huff scored two points to put the Redbirds ahead. Huff was fouled and made his free shot putting Alton ahead 79-76 for the final score. The stadium soon emptied onto the floor as joyful fans rushed to congratulate Coach Sterrett and his players. The game the following night against Mater Dei, an easy victory for Alton High, seemed rather dull after the tremendous victory over Collinsville. The team's record at this point is 11 wins and two losses.

Congratulations, Coach Sterrett and team, on your extraordinary achievements to this point. There is no doubt that you will continue in this way and become one of the best teams in Alton's basketball history.

This year Alton High has a varsity wrestling team for the first time in many years. The squad is comprised entirely of sophomores and juniors to build for the future. At this point in their season, our wrestlers have won one meet against the older, experienced teams in the area, but show much promise for the future. We wish Coach Brandt, Coach Iman, and the wrestling team continued progress the remainder of the year.

"I can't seem to find that note."

March of the flower children

Drum Majors: Larry Wilson and Bill Cox

It's the bottom of the ninth and the Cards are losing 7-1.

Just because of you we have to rearrange the whole ??? show.

Hup, two, three, four . . .

I hope the ambulance gets here in time.

M-I-C-see you real soon, K-E-Y-why, because we like you, M-O-U-S-E.

Guess Who?

Slow down, I only have one leg!

Hey, guys, I thought we were going to wait until later to T.P. Schultz's house.

The lowly sophomores sing.

Leadership

As a great person, she takes the cake!

"Thank you for everything."

The Annual Spring Concert

Hard work always pays off.

Congratulations!

All bassoon players are weird.

Eh!

I want to hold your hand.

Are you thinking what I'm thinking?

I'm as good as they are, and I'm last chair!

Pucker up

This song is so sad.

Is that one ding, or 2 dings?

Ah, pure ECSTASY!

Kiss me, baby!

I shouldn't . . .

I did!!

Wait for me. It's only 8:29.

Building 1 to building 2!  
Brrrr, It's cold!!

**1, 2, 3, . . . Lift!!**

Don't just stand there. Help me!

Do I hear a waltz?

I still think it should have been a snow day.

You said it!

## Editor's Message

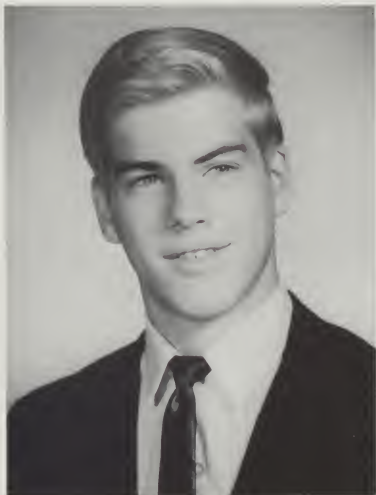

To the 1968 Senior Class of Alton High School:

The end of a trip is sometimes a happy and sometimes a sad occasion. Our 12-year excursion through the halls of education is soon coming to an end. We of the TATLER Staff hope that this climax is welcomed by you, the 1968 graduating seniors; for in it we see not the end, but the beginning of our lives. This book, we hope, will be only one of the many pleasant memories of our stay at A.H.S.

I would personally like to thank the other members of the Staff for their hard work which they contributed willingly. Thanks is an inadequate expression of my gratitude for Mr. Livengood's help. As our advisor, he has guided us well when others may have faltered.

the 1990s, the number of people in the world who are obese has increased by 100% (World Health Organization 1997). In the United States, the prevalence of obesity has increased from 15% in 1975 to 23% in 1994 (Flegal et al. 1994). In the United Kingdom, the prevalence of obesity has increased from 10% in 1980 to 15% in 1995 (Health Survey for England 1996). The prevalence of obesity in children has also increased in many countries (Flegal et al. 1994). In the United States, the prevalence of obesity in children has increased from 7% in 1976 to 12% in 1994 (Flegal et al. 1994).

Obesity is a major public health problem because it is a risk factor for many chronic diseases, including heart disease, diabetes, and certain types of cancer. Obesity is also a risk factor for mental health problems, such as depression and anxiety. In addition, obesity is a risk factor for social and economic problems, such as discrimination and poverty.

There are many causes of obesity, including genetics, diet, and physical inactivity. Obesity is often caused by a combination of these factors. For example, a person who is genetically predisposed to obesity may be more likely to gain weight if they eat a high-calorie diet and do not exercise.

Obesity is a complex problem that requires a multifaceted approach to treatment. Treatment options include diet, exercise, and medication. In some cases, surgery may be necessary. It is important to note that obesity is a chronic condition, and treatment is often ongoing.

Obesity is a global health problem that is on the rise. It is a risk factor for many chronic diseases, and it is also a risk factor for mental health problems. Obesity is a complex problem that requires a multifaceted approach to treatment.
